The 15th European Doctoral Conference in Nursing Science

18-19 september 2015, Graz, Austria
The 15th European Doctoral Conference in Nursing Science

“Exploring new horizons in Nursing Science” is the motto of the 15th European Doctoral Conference in Nursing Science (EDCNS), which is a meeting point for PhD students from all over Europe. The EDCNS is organized by PhD students from the PhD-Program Nursing Science from the Medical University of Graz, Maastricht University in cooperation with Bern University of Applied Science. This year’s conference will be held in Graz, Austria on September 18th-19th.

The conference provides the opportunity to:

- meet and build contacts with colleagues all over Europe
- present a research project as part of their thesis
- share experiences and information in the area of nursing research
- learn what is currently happening in nursing science in Europe
- meet the Profs

Professors and other Nursing or Health Science Faculty staff are welcome to join the audience.

Call for abstracts

All PhD-students involved in nursing science are invited to submit an abstract for an oral or a poster presentation.

Oral presentation: each presentation will be allocated a maximum of 15 minutes followed by a discussion.

Poster presentation: posters will be exhibited for the duration of the conference and there will be a poster session to present it.

Abstracts (max. 300 words) should be submitted by April 15th 2015, using a form that can be downloaded from the website http://medunigraz.at/edcns. All abstracts should be emailed to edcns@medunigraz.at. A scientific committee will review all submissions.
Online-Registration

Participants should fill in the registration form on the conference website.
